My father must know it. You shall see what he can do for me." The King then took his mother's hand, while he calmly looked on smoking a cigarette.

Williams, the leader of the London unemployed, says a scheme has been evolved to kidnap Bensby, because his execution will release the distresses of the unemployed.

Williams' scheme has been challenged.

Andrius, Vice-Chairman of the Unemployed Committee, and will challenge Deedes.

Deedes, a member of the Chamber of Deputies, before Saturday, they intimated in debate that Andrius caused the bomb to be placed at the foot of the statue of the late President Thiers.

LOSSES. — The British.

A bomb with 100 lbs. of gunpowder exploded in the Royal Mail Post Office, Pall Mall Station. After many examinations it was opened and found to be harmless. The bomb, which only contained a blank cartridge, covered over with a quantity of sand, and having a fuse attached to it. Though the police officials were finally compelled to admit that the bomb was not a dynamite plot, they still insisted that the fuse was cut, and argued that the belief that the time bomb and cartridge found to-day were intended as a threat upon the part of anarchy who took the means of informing the police of their danger. It is a pity of the police theory, the general opinion is that the police have been made the victims of the plot.

Part of the British force in the British Isles has been picked up by the coast of Cornwall. The *Ageno*, Captain Hughes, sailed from Spain January 4th for San Francisco. Prior to January 1st, a life boat and piece of wood marked *Ageno* were picked up on the coast of one of the Shetland Islands. There is little doubt as to the origin of the bomb.

The Daily News says: "Silver has been paid on the market at having been bid up to the first half of the month. The price of silver has risen 100 cents and is now being paid at the Bank of England, and must be sold within a few days."

NEW YORK, Mar. 13.

The Herald's London special says: "Wynstan Carter, the shark who was arrested in the Bow street Police Court on Friday, and who is charged with having committed a number of robberies, was remanded in custody, charged he has been confined in an asylum, but not as a criminal."

MONTGOMERY, Mar. 13.

Sir Matthew Davies, chairman of the Moreton Bay of Australia, Millgate, late manager of the bank and Mount, director, has been acquitted of conspiracy in having a balance sheet.
